

## Are you interested in the CARE's Ethical Restaurant certification?

Follow these few simple steps to obtain it:

**1** Get in touch with the certification company Vireo Srl writing to [info@cer-s.it](mailto:info@cer-s.it)

**2** Verify social aspects: working conditions and workers wellbeing.

**3** Verify environmental aspects: energy, water and waste management.

**4** Verify your supply: F&B and non-F&B.

**5** Verify your gastronomic offer.

**6** Verify the way in which you communicate your sustainable commitment to your employees, guests and general public.

**7** Verify your facility: energy efficiency class, materials used for the construction and furniture.

**8** Verify your management system: stock and warehouse management.

**9** Did you verify all the preceding points? Vireo will visit your restaurant to carry out the audit during the defined date.

**10** If the audit is passed you obtain the CER certification and you can start promoting the sustainability of your business.
